

• Math Test Prep Workshops •

**SAVE
TIME**

**SAVE
MONEY**

By attending one of the **FREE** *Math Test Prep workshops* you will:

- Learn about the different math tests that are available to avoid taking unnecessary classes.
- Have the opportunity to review sample math questions with a trained tutor.
- Be given additional dates and times to take the placement exam.

Benefits of Completing the Workshops

- Be able to take the test-AGAIN-prior to the 3 month wait period
- Save time and money

Target Audience

- Students who have not taken the placement test
- Students who have not taken a math class within the past two years
- Students who were not prepared to take the placement test or need to retake it
